

Note No: A089/08

Protocol Directorate at the Foreign and Commonwealth Office presents its compliments to all Diplomatic Missions and International Organisations in London and has the honour, on behalf of the UK Department of Health, to circulate UK Government guidance setting out how the UK would respond to an Influenza Pandemic. In the event of such a crisis, Diplomatic Missions in London would continue to have prime responsibility for their foreign nationals but in support, the UK government has been looking at how it could assist those foreign nationals who became ill or stranded in the UK.

Protocol Directorate avails itself of this opportunity to renew to all Diplomatic Missions and International Organisations the assurances of its highest consideration.
