

Note No. A241/16

Protocol Directorate of the Foreign and Commonwealth Office presents its compliments to all diplomatic missions and international organisations and has the honour to inform them of the introduction of a small number of dedicated diplomatic parking bays outside the FCO main building on King Charles Street.

The Directorate requests that diplomatic registered vehicles now use the new diplomatic parking bays on King Charles Street when visiting the FCO main building if, of course, a space is vacant. Diplomatic parking bays will be available on a first come, first served basis.

Diplomatic registered vehicles may park elsewhere on King Charles Street only when all diplomatic parking bays are occupied. Parking within the FCO main building quadrangle will now only be permitted with prior written agreement. Heads of Mission flag vehicles on official visits may continue to park on the L shaped road, accessible via the Ambassador's Entrance on Horse Guards Road.

Protocol Directorate avails itself of this opportunity to renew to all diplomatic missions and international organisations the assurances of its highest consideration.
