

Note No. A184/17

Protocol Directorate of the Foreign and Commonwealth Office presents its compliments to all diplomatic missions and international organisations and has the honour to refer to the photograph requirements for exempt vignette applications.

The Directorate wishes to remind diplomatic missions and international organisations that photographs accompanying exempt vignette applications must conform to the UK passport photo requirements. Further guidance may be obtained from the following website: <https://www.gov.uk/photos-for-passports>.

Diplomatic missions and international organisations should note that applications for exempt vignettes that are accompanied by photographs that do not meet the requirements, will not be authorised and will be delayed until correct photographs are received.

Protocol Directorate of the Foreign and Commonwealth Office avails itself of this opportunity to express to all diplomatic missions and international organisations the assurances of its highest consideration.
