

Note No A207/17

Protocol Directorate of the Foreign and Commonwealth Office presents its compliments to all diplomatic missions and international organisations, and has the honour to request specimen signatures from the Head of Mission and Deputy Head of Mission, or other officials that the Directorate has agreed may act as authorised signatories, in order to facilitate the processing of claims, forms and notifications submitted by the Mission.

The Directorate requests that the specimen signatures are submitted using the attached pro-forma by 31 October 2017. Diplomatic missions and international organisations are kindly asked to note that all claims, forms and notifications received after 31 October 2017 which are not signed by an authorised signatory, who has been notified to the Directorate, will be returned unprocessed, without exception. Furthermore, the Directorate reminds diplomatic missions and international organisations that they must provide new specimen signatures in the event of a change of signatory. Failure to do so may lead to delays in claims, forms and notifications being processed by the Directorate.

Protocol Directorate of the Foreign and Commonwealth Office avails itself of this opportunity to renew to all diplomatic missions and international organisations the assurances of its highest consideration.
